This is an excellent platform for law enforcement, fire, government agency or other use. The configuration is a turn-key opportunity to eliminate the cost of equipment acquisition, installation and integration. Transition training is included. The robust spare parts package will support the operation from day one.

The aircraft is in good condition. It is well cared for, professionally flown and maintained. The paint and interior look good. The owner takes great professional pride in caring for this aircraft. It has always been hangared, no damage and professionally maintained. All maintenance current as of 2015.

The spare parts and equipment package is immense and includes over 100 assorted parts, including spare equipment, avionics items, rotors in box, transmission, gear box, cowlings, towing system and many extras.

**Please call Ken at 916-802-5589 or email [ken@flyluxaviation.com](mailto:ken@flyluxaviation.com) for more information on this Helicopter and equipment.**

**All specifications and information provided is subject to verification upon inspection and is not a definitive representation. Aircraft, equipment and prices are subject to change without notice and are subject to availability, prior sale, and/or removal from market.**

***Note: Due to the Law Enforcement usage, some buyers may not qualify for certain listed equipment to be included with the sale. Due to "Public Use" and Military vintage, buyers must qualify and meet DLA/LESO requirements to take transfer delivery of the complete helicopter. The Hull shall be removed for non-qualifying buyers and the installed components, spare parts and equipment can be purchased separately per Law Enforcement approval. Please conduct your due diligence prior to purchase.***
