For Immediate Release;

HELIWAGON, INC., IS LOOKING FOR INTERESTED HELICOPTER OR PRODUCT DEALERS, WORLD WIDE, TO BECOME DEALERS/DISTRIBUTORS OF THE HELIWAGON LANDING PLATFORM

Heliwagon is accepting offers from helicopter dealers and other helicopter product sales leaders to become dealers of their product line.

“With the anticipated success of Robinson Dealer, Universal Helicopters free give away offer, of a new 12’ x 14’ Heliwagon with every purchase of a Robinson R44 or R66, we are looking for interested companies, worldwide to become an exclusive dealer, having defined limits, for our Heliwagon product line”, stated Brad Seibold, President Heliwagon, Inc.

The Robinson dealer announced the new offer at the 2016 HAI convention in Louisville, KY. “This offer is a one of a kind event, and everyone should take advantage of owning the most incredible product available for helicopter owners” stated Dr. Gordon Jiroux, President/CEO of Universal Helicopters.

The Heliwagon is an innovative product that entered the market in 2009, changing the way pilots move their helicopters. It’s a wireless, remote-controlled, very sturdy landing dolly that eliminates the need for tugs or tows, and is maintenance free.

While at the 2016 HAI, Louisville, KY, **AOPA Live** stated, “that the Heliwagon, is the most attention getting product” at the convention. We agree, and once you see, touch and use the Heliwagon, you will understand why.

We are extremely excited to have other avenues to sell our product and create a new buzz,” said Seibold. He went on to say, “With the addition of the dealership program made available, locally and abroad, the company plans to have immediate shipping available for all existing and new service areas. In the coming months, new products will be available as well”.

If you are interested in becoming a Heliwagon dealer, please contact Brad Seibold @ heliwagon@icloud.com , for terms, conditions, and other information.
