

Aero Dynamix, Inc.

Aero Dynamix names Stuart Parker as Sales and Marketing Manager Company expands leadership team and aligns organization for future growth

Eules, Texas – Aero Dynamix, Inc., the leading supplier of helicopter and fixed wing illuminated panels and NVG cockpit solutions, today announced the appointment of Mr. Stuart Parker as Sales and Marketing Manager. Mr. Parker will be responsible for ADI's continued success and execution for our sales team and marketing strategies. Mr. Parker will report to Aero Dynamix Chief Operating Officer, Tonka Hufford.

“Stu's strong background and experience in the helicopter and commercial aviation market segment will strengthen ADI's position as the industry leader in Illuminated panel and NVIS cockpit solutions” said Tonka Hufford, COO of Aero Dynamix.

Mr. Parker brings 35 years of aviation experience in helicopter and fixed wing operations to Aero Dynamix. His vast background in the field of aviation includes engineering, quality, manufacturing, program management, business development, government contracts and has a proven track record of working for and with major customers and OEM's in the industry. His knowledge coupled with his leadership experience uniquely qualifies him for this position at Aero Dynamix.
