NEWS RELEASE

Enstrom 280FXs Sold to Pakistan

Menominee, MI, Sept, 2017 – Enstrom Helicopter Corporation is pleased to announce the sale of piston powered 280FX helicopters to Pakistan. This sale was managed by Enstrom’s representative in Pakistan, Global Services & Solutions. “It was a pleasure working with Mr. Abdul Khaliq Awan, the General Manager of Global Services & Solutions. This has been a great team effort and we look forward to delivering the 280FX helicopters and more importantly, to developing a good and long-term relationship with our customer” said Orlando Alaniz, Director of Sales and Marketing at Enstrom. Mr. Khaliq Awan added, “We feel the Enstrom 280FX is the best helicopter to operate in the difficult climate conditions of Pakistan. We are looking forward to many continuing sales.”

These will be the first Enstrom aircraft to be sold into Pakistan. Deliveries should start the end of 2017 with the remainder delivered in early 2018.

Global Services & Solutions is an approved Enstrom Representative in Islamabad, Pakistan and provides aviation, and other support services for their customers in Pakistan.

Founded in 1959, Enstrom Helicopter designed and manufactures light, single-engine piston and turbine helicopters for commercial, government, and personal use.
